### “Don’t Blink”

May 3-4, 2008

*“You have made my life no longer than the width of my hand. My entire lifetime is just a moment to you; at best, each of us is but a breath.”*

- Psalm 39:5

### Discussion Questions

1. Each person share one of your earliest childhood memories.
2. Give a few examples of things people are scared God will ask them to do? Can you relate to these fears? How so?
3. Have you ever missed out on an opportunity God prepared for you? Why didn't you take action?
4. The mission of Life Center is “*To engage every person to Connect with other people, Commit to personal spiritual growth, so that we can Influence this community to love and follow Jesus Christ.*” Which aspect of the mission do you find to be the easiest? Which is the most difficult for you?
5. Are you actively involved in all three aspects of the mission? In regards to fulfilling Life Center’s mission, are you an observer, a participant, or a leader? What are some ways you can contribute?
6. People invest money in the market in hopes of building wealth. How does a financial contribution to the church build the kingdom of heaven? Do you consider it an investment?
7. Even though life seems short, our task is always the same. Read Ecclesiastes 12:13-14. How can this passage keep us focused on what’s most important so we don’t miss out on God’s plan for us?

### The Big Idea

**Kenney Chesney Lyrics:**

#### **Don't blink.**

Just like that you're six years old and you take a nap and you wake up and you're twenty-five, and your high school sweetheart becomes your wife.

#### **Don't blink.**

You just might miss your babies growing like mine did, turning into moms and dads next thing you know your "better half" of fifty years is there in bed and you're praying God takes you instead.

**Trust me friend a hundred years goes faster than you think, so don't blink.**
